

Bornholm Anthem

Verse 1:

Bornholmer land, so fair and bright
With forests, cliffs, and sea in sight
Our hearts with joy and pride doth swell
In this dear island where we dwell

Chorus:

Bornholm, Bornholm, our island home
Where waves and wind forever roam
From Hammerknuden to Dueodde Strand
We'll sing thy praise across the land

Verse 2:

Thy fields of rye and golden wheat
The taste of herring, so fresh and sweet
The rocky coast, the sandy beach
Our Bornholm, always within reach

Chorus:

Bornholm, Bornholm, our island home
Where waves and wind forever roam
From Hammerknuden to Dueodde Strand
We'll sing thy praise across the land

Verse 3:

Through history, our island stands
A fortress, a haven, in many hands
From Viking raids to World War Two
Our Bornholm, always remained true

Chorus:

Bornholm, Bornholm, our island home
Where waves and wind forever roam
From Hammerknuden to Dueodde Strand
We'll sing thy praise across the land

Verse 4:

Now as we gather, friends and kin
We raise our voice, let the song begin
In this dear land, where we belong
Our Bornholm, forever strong

Chorus:

Bornholm, Bornholm, our island home
Where waves and wind forever roam
From Hammerknuden to Dueodde Strand
We'll sing thy praise across the land

Outro:

Bornholmer land, so fair and bright
With forests, cliffs, and sea in sight
Our hearts with joy and pride doth swell
In this dear island where we dwell.
